Dear Admiral Turner:

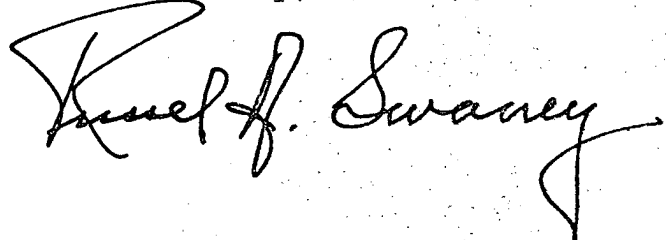

On behalf of our entire membership, we wish to invite you to address a meeting of The Economic Club of Detroit on Monday noon, March 13, 1978.

On this occasion you would be the only speaker on some topic which, in your judgment, would present the greatest challenge to the leaders of the automotive and other related industries operating here in the heart of "Decision America", 2,400 of whom are now included within our membership.

By reference to the enclosed Progress Report and announcements of some of our more recent meetings, you will note the high caliber of the programs which The Economic Club of Detroit presents. There is, perhaps, no forum that is better known throughout the world.

This is a firm invitation, however, if this date is not acceptable to you, please give us an alternate date.

Sincerely,

RAS:vc
Encls.
